Regional Office of Education

Dear Partners in Education,

Welcome to another wonderful school year! We appreciate your continued dedication to our students and their education success.

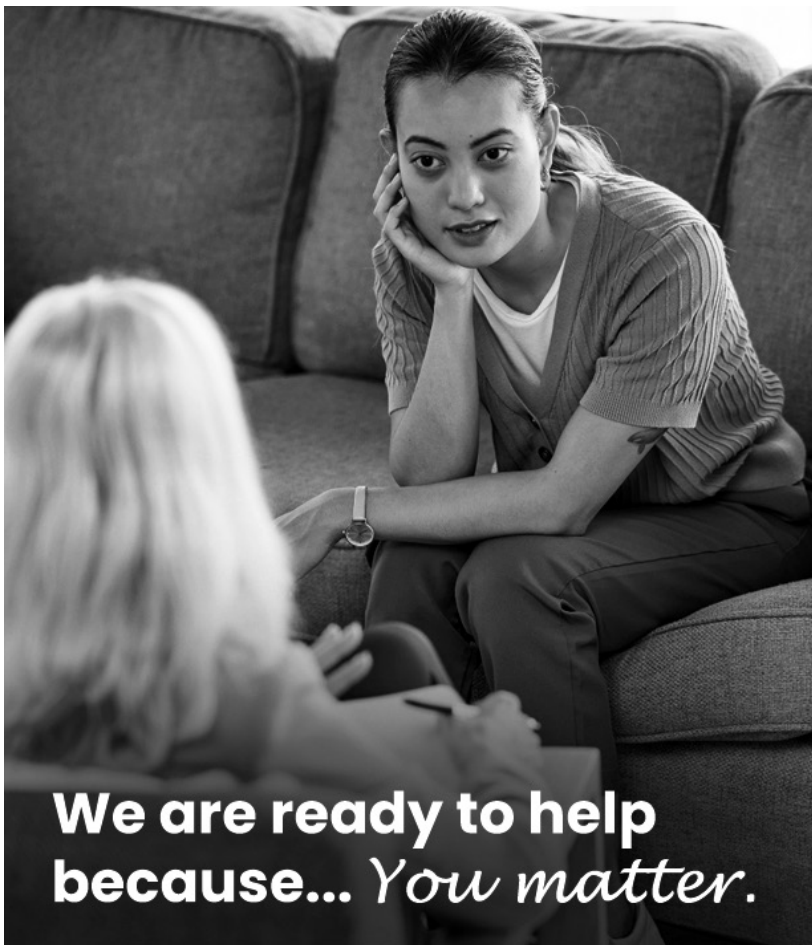

As Rita Pierson said, "Every child deserves a champion; an adult who will never give up on them, who understands the power of connection and insists that they become the best they can be." Thank you to our teachers, administrators, and support staff who live this every day. You are truly champions for our students!

Thank you to the many business leaders who invest in education in each of our counties: Adams, Brown, Cass, Morgan, Pike, and Scott. It is through your generosity that we continue to provide this directory for our region.

The Regional Office of Education supports school staff, families, and most importantly, our students. We work side by side to enhance education for our students, educational leadership, and services for the benefit of the districts we serve. Please be in touch to let us know how we can serve you better.

Best wishes for a wonderful 2024-2025 school year!

Jill S. Reis
Regional Superintendent of Schools
Adams, Brown, Cass, Morgan, Pike, and Scott Counties

This is more than a smile.

This lights up a room.

This shows confidence.

*This is the work of an
orthodontist.*

Orthodontists receive an additional two to three years of specialized education beyond dental school to learn the proper way to align and straighten teeth.

To learn more about the benefits of seeing an orthodontist, visit www.braces.org.

Log on or call today to receive more information.

See More Than A Smile. See An Orthodontist.
